

Fade to Black Productions

PRESS KIT

who we are

Fade to Black Productions is a full-service company that collaborates with content creators including writers, producers, and directors to complete their projects.

Providing any and all support needed to take projects from concept to completion, *Fade to Black Productions* specializes in assembling the team needed to craft material that might not otherwise get made.

our mission

With an eye on societal issues, *Fade to Black Productions* is constantly working to create material that is both memorable and impactful.

our vision

Leveraging all of our capabilities, we seek to elevate material from under-represented communities that is socially relevant.
